Presidential Address:

My fellow members: THANK YOU for your continued participation in and support of the SMGA, our Convenient, Competitive and Fun golf association. Your participation in SMGA and Blitz events is always appreciated. The relationship the SMGA has with the Southbridge Golf Club is unique and very much valued. It is made possible to a large part by the tireless efforts of Mike Sheppard (Tournament Chairman) and John Whitmore (Blitz Chairman and Treasurer) and Chris Eiseman (Social Chairman). My goal for the 2026 annual meeting is to work through the agenda in less than an hour so we can move to the Blitz Championship Draft.

Blitz Championship Nov 7, 2026, 9AM

Please keep out distracting and irrelevant conversations. Thank you for your cooperation.

New Business: • An agenda item was requested for a motion to implement a penalty for late arrivals.

"any signed up participant in a Blitz game shall arrive at the club no later than 10 minutes prior to their tee time. This will ensure readiness to play including bag on cart, checking in with the pro shop and paying any applicable fees for the specific competition. Arrivals with less than 10 minutes to tee time, unless the pro shop was notified, will result in the player's removal from the competition."
